Guidelines for Evaluation of Summer Training Report (BBA 506)

- All the students of BBA 4th semester shall be required to undergo a practical training known as Summer Training (BBA 506) in an industrial organisation approved by the Head/Dean of the Department for six to eight weeks, normally in the Summer Vacation, immediately after the end of the fourth semester; which shall be assessed in the fifth semester as a compulsory paper.
- The candidates shall be required to undergo training in the various areas of the organisation concerned. The organisation may assign a specific project to the candidate, which will be completed by him/her during the period of training. During the training, the student is expected to learn about the organization and analyse and suggest solutions of a live problem.
- The report (based on training and the problem/project studied) prepared by the student shall be known as Summer Training Report. The Summer Training Report shall be evaluated only by an external examiner appointed by the university and it must be evaluated for both the Report (50 marks) and the Presentation/Viva of the same (50 marks).
- The report shall consist of one comprehensive chapter about the organization and it should deal with brief history of the organization, its structure, performance products/services and problem faced. Further the report shall comprise of the objectives and scope of the study along with the Research Methodology, Use, Importance of the study, Analysis of data collected, Conclusions and Recommendations. It shall also contain Relevant Charts, Diagrams and Bibliography. The average size of report ordinarily will be of 30 to 50 typed pages.
- The report will have two certificates. One by the department comprising of signatures of approval from the Mentor/Supervisor/Guide and the Head/Dean of the Department. The other certificate shall be provided by the Reporting Officer of the Organization, where the student has undergone training. These two certificates shall be attached in the beginning of the report.
- There shall be no internal assessment in case of Summer Training Report (BBA 506).
- The 02 copies of the Summer Training Report along with soft-copy of the same in CD shall be submitted by the candidates in the manner as specified hereby. The Summer Training Report, wherever specified will be submitted in the typed form as per the following requirements:
 - ❖ The typing should be done on both sides of the paper (instead of single side printing)
 - ❖ The front size should be 12 with Times Roman Format.
 - ❖ The Training Report may be typed in 1.5 (one and a half) space. But the References/Bibliography should be typed in a single space.
 - ❖ The paper should be A-4 size.
 - ❖ Three copies meant for the purpose of evaluation may be bound in paper-back form and should be in soft binding in Blue Color with silver printing.
- It is mandatory that the student shall make presentations of the Summer Training in the presence of teachers and students. The student is expected to answer to the queries and questions raised in such a meeting.
- The Head/Dean of the Department/College shall make that the marks awarded by the external examiner gets uploaded on the University website and also submit the hard copy of the award list along with attendance of the candidates duly signed by the external examiner to the office of the Controller of Examinations within 15 days of the conduct of examinations.

Guidelines for Evaluation of Project Report (BBA 604)

- All the students of BBA 6th semester shall have to undergo a Project (BBA 604) which comprises of 100 marks and the Students may choose the topic as guided by their mentor/supervisor/guide who must be a faculty member of the department.
- All the Students of BBA 6th semester are required to submit a synopsis of the same and present it before a committee duly constituted by the Head/Dean of the department. The committee must include the research mentor/supervisor of the student.
- The evaluation process will consist of two parts, namely Project Report (50 marks) and evaluation of Project Viva (50 marks) which will be evaluated by the External Examiner appointed by the University.
- The report shall consist of one comprehensive chapter about the topic. Further the report shall comprise of the objectives and scope of the study along with the Research Methodology, Use, Importance of the study, Analysis of data collected, Conclusions and Recommendations. It shall also contain Relevant Charts, Diagrams and Bibliography.
- A certificate of the Supervisor and the Head/Dean of the Department certifying the authenticity of the report shall be attached therewith. The student will submit three copies of the report to the Head/Dean of the department. The number of pages in the report will be 30 to 40.
- The Research Project Report along with soft-copy of the same in CD shall be submitted by the candidates in the manner as specified hereby. The Project Report, wherever specified will be submitted in the typed form as per the following requirements:
 - ❖ The typing should be done on both sides of the paper (instead of single side printing)
 - ❖ The front size should be 12 with Times Roman Format.
 - ❖ The Project Report/Training Report may be typed in 1.5 (one and a half) space. But the References/Bibliography should be typed in a single space.
 - ❖ The paper should be A-4 size.
 - ❖ Three copies meant for the purpose of evaluation may be bound in paper-back form and should be in soft binding in Navy Blue Color with golden printing.
- It is mandatory that the student shall make presentations of the Project in the presence of teachers and students. The student is expected to answer to the queries and questions raised in such a meeting.
- The Head/Dean of the Department/College shall make the marks awarded by the external examiner gets uploaded on the University website and also submit the hard copy of the award list along with attendance of the candidates duly signed by the external examiner to the office of the Controller of Examinations within 15 days of the conduct of examinations.

Guidelines for Comprehensive Viva-Voce (BBA 605)

- All the students of the BBA shall have to undergo a 'Comprehensive Viva-Voce' in the last (6th) semester which comprises of 100 marks and such conduct of the Comprehensive Viva-voce, shall be done by an external examiner as per provisions in the BBA Ordinance on invitation by the University.
- The comprehensive viva voce shall be externally evaluated by an external examiner, duly appointed by the university.
- The Head/Dean of the Department shall make sure to get the marks awarded by the examiner uploaded on the University website and also submit the hard copy of the award list along with attendance of the candidates.

Project Work Dissertation

Inclusions of dissertation in the course curriculum of the B.Com programme is one the ambitious aspects in the programme structure. The main objective of inclusion of dissertation is to inculcate the element of research work challenging the potential of the learner as regards to his/ her aptitude to enquire and ability to interpret particular aspect of the study in his/ her own words. It is expected that the guiding teacher should undertake the counseling sessions and make the awareness among the learners about the methodology of formulation preparations and evaluation pattern of the Dissertation.

Dissertation based on the research methodology in the study area.

Dissertation topic may be undertaken in any area of elective courses:

- 1) Each student has to undertake a topic individually under the supervision of teacher-guide.
- 2) The learner shall decide the topic and title which should be specific, clear and definite scope in consultation with the teacher-guide concerned.
- 3) University/college shall allot a guiding teacher for guidance to the students based on her / his specialization.
- 4) Dissertation shall be prepared as per the broad guidelines given below.

- Font type- Times New Roman
- Font size- 12-for content 14-for title
- Line space-1.5-for content and 1-for in table work
- Paper size- A4
- Margin- in left -1.5 up-Down-Right-1
- Dissertation shall be bounded
- Dissertation should be 50-60 pages

Structure to be followed to maintain the uniformity in formulation and presentation of Dissertation:

1. Introduction to the topic.
2. Review of Literature.
3. Objectives of the study.
4. Research methodology.
5. Analysis and Interpretations of Data.
6. Finding and Suggestion.
7. Select Bibliography/References.
8. Appendix.
