## VAISH COLLEGE BHIWANI ORGANOGRAM

### FLOW CHART OF INSTITUTIONAL STRUCTURE

## **Organisational Structure**

College has a well-defined organizational structure to coordinate academic and administrative functions as per the rules, regulations and statutes of the affiliating University. It consists of the Governing Body, the Principal, the teaching staff, the non-teaching staff and the students. The Principal, Faculty, Administrative and Library Staff work in a synchronized way to facilitate the day-to-day functioning of the institution in a de-centralized and democratic way that upholds principles of equal participation of all stakeholders.

## **Governing Body**

The Governing Body of Vaish college Bhiwani represents a group of well-known men and women of different areas. It also has representatives drawn from the faculty and the non-teaching staff. The principal and the faculty draw a great deal of support and strength from this elected body that periodically reviews the decisions that the principal and the faculty take to attain new heights of excellence. The periodic Governing Body meetings take stock of the progress made and suggest creative ways to achieve the highest academic standards for the institution. The initiatives suggested by the Governing Body are discussed and implemented by the faculty and staff along with students.

## The Principal

I am greatly rejoiced and proudly place on record the fact that Vaish College established in 1944, the visionary dream of its founders, the humble servants of education with a mission to transform the youth into the great citizen of nation. Keeping pace with digitized India, the college will now have a space in the web world also. With a state of the art building the college has an excellent infrastructure and modern amenities. The qualified teaching staff with a team of dedicated, non-teaching professionals make this institution a hub of academic excellence. Academic Staff of the college has significant knowledge about paradigm shift in the educational system. Hence, they strive to develop in students the knowledge, confidence and requisite skills for specific jobs. Apart from that, emphasis is put on the mental, intellectual and moral upliftment of the students so that they can lead a healthy and sound life with positive perspective.

Our College cares for the individual development of each and every student. Our college focuses on providing maximum practical experiences to the students by practical implementation of their gained bookish knowledge. Thus they inculcate the capabilities and potential to face the challenges. The college offers various courses in all the streams of Arts, Commerce and Sciences. To make education an interesting and two way learning process, the college has various clubs and societies in all the disciplines. Cultural and co-curricular activities certainly form and integral part of our education. The college successfully organized University Youth Festival of Chaudhary Bansi Lal University with much vigour and enthusiasm. Our sportspersons represent the college and university in various National and International events. Our teachers strive to teach not only academic programmes but also life skills needed for students self development with highly resourceful faculty. I hope that college website will bring more transparency to know about college administration and its functioning. It will also prove beneficial to students by providing an easy access to the latest updates of the college.
