## Institutional distinctiveness

2023 - 2024

Vaish College, Bhiwani is well known primere institute in the region having good reputation in the field of education. It was established in 1944 under the Vaish Mahavidyalaya Trust, Bhiwani, is a profound educational institution offering quality education for undergraduate as well as Post graduate students belonging to urban, semi-urban and rural background of Bhiwani region for last 80 years. The Institute always thrives to boost the inner potential of students. The institute believes in delegation of power and works on the principle of equality. Prior commencement of session there is constitution of various committees to smooth-en the annual functioning of the institute. Women are also equally distributed the work. To shape the personality of students, each and every aspect is considered and worked on them. To inculcate discipline and punctuality there is NCC wing in the college; NSS wing cares for social well being; Cultural board brings out hidden talents; physical education is for physical and mental upliftment while highly qualified staff takes care for education. But the Institute is being distinctive to have a rich library. There are more than 50000 (Fifty Thousand ) books being distributed in text books, reference books and other books. The Institute have subscription of more than twelve news papers in both the languages viz. Hindi and English. Twenty magazine are also subscribed covering almost each subjects and sphere of life. For Job perspective employment news paper is also subscribed. The Institute always strives to expand this ocean of book through new purchase and subscriptions. Keeping in view; the requirement of changing world i.e. world of online portal and Artificial Intelligence, latest online resources are also subscribed. We are pleased to have a fully automated library.
